How to use this electronic PDF document

1. Please click into one of the entry fields.
2. The cursor lights up. You may enter your data now. Using the tab key **⌘** you are able to switch between the fields.
3. Click the „Send data“ button.
4. Your e-mail client opens a new window. All you have to do now is attaching your certificate file (your filled PDF is already attached) and confirm the send button.
5. Complete your work by explicitly closing the PDF file.
